## INDEPENDENT AUDITORS' REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE MEMBERS

### Introduction

We have reviewed the accompanying condensed interim balance sheet of Emirates Global Islamic Bank Limited as at June 30, 2009 and the related condensed interim profit and loss account, condensed interim cash flow statement and condensed interim statement of changes in equity for the half year then ended (here-in-after referred to as the "condensed interim financial information"). Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan. Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures of the condensed interim profit and loss account for the quarters ended June 30, 2009 and 2008 have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2009.

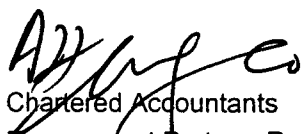

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as of and for the half year ended June 30, 2009 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan.

Without qualifying our conclusion, we draw attention to note 9 to the condensed interim financial information which more fully explains that the bank has not met the minimum paid-up capital (net of losses) of Rs. 5 billion as applicable to the bank as at December 31, 2008. The State Bank of Pakistan has granted extension to the bank upto August 31, 2009 to meet the afore-mentioned capital requirement.
