Note:

The service charges mentioned in this schedule are various types of valid/compensatory services rendered by the bank on different transactions.

As per our Shariah board, it is not allowed to charge a fee/commission mainly against issuance of any financial commitments or guarantee, as these commitments are Uqood-e-Ghair Muawada or non-compensatory in nature. However, it is allowed to charge a fee, if additional related services are also rendered/performed by the bank.
